Janelly B.

HOSTOS COMMUNITY COLLEGE

"Elevate taught me that even though I am shy, I can do anything with motivation and support. I conquered my fear of public speaking because of the support of my peers and my Teacher Mentors."

Kevin C.

QUEENSBOROUGH COMMUNITY COLLEGE

"Elevate helped me overcome my fear of public speaking. I learned that I can face my fears with the support of others. I know I will be able to overcome my fears in the future."

Jadali S.

THE CITY COLLEGE OF NEW YORK

"Elevate taught me that I can be strong and still lean on others for support. I've learned how to ask for and accept help from others. Most importantly, I've learned that I am a fighter. When things got tough I wanted to give up but I didn't. Instead, I prospered and conquered more than I ever thought I could. I will get knocked down, but no matter how many times I fall I will always get back up."
